

Legal Bats – Rule 1.10

(Revised 3/26/09)

As of January 2009, all non-wood bats used in Little League Baseball (Majors and below) shall be printed with a Bat Performance Factor (BPF) of 1.15 or less.

Bats without BPF 1.15 (or less) printed on it will not be allowed for play in Little League Baseball. This includes bats that have “Little League Approved” printed on them.

EXCEPTION: The following bats have passed the BPF standard, but do not have the proper label printed on them for a variety of circumstances. Little League International has determined that these bats shall be allowed for play during the 2009 season **only**.

Bat Manufacturer	Model
Adidas	Vanquish (Blue design)
DeMarini	Black Coyote
DeMarini	Rogue
DeMarini	Distance
DeMarini	Rumble
DeMarini	Tengu
DeMarini	Mach 10
DeMarini	Patriot
Easton	LZ-800
Easton	LZ-810
Easton	Stealth Optiflex LST 1
Louisville Slugger	YB31
NIKE	Areo

After December 31, 2009, all non-wood bats shall be printed with the Bat Performance Factor (BPF 1.15 or less) on it. This means, the bats listed above will no longer be allowed for play in Little League Baseball during the 2010 season and beyond.
